The Event

True Italian Pizza Week Berlin aims to honour one of the symbols of Italian gastronomic culture with a special initiative involving the *best pizzerias* in Berlin. In all of the pizzerias taking part you have the chance to **taste authentic Italian pizza** (choosing between two kinds - vegetarian options available) and match it with a beer or soft drink **for just 10€**. In some of the places an **Amaro Lucano** liqueur is included and you can order a **Lavazza** espresso for just 1€ more.
